### Task Chairs

**Body** fully upholstered mid back. Contoured "waterfall" style seat cushion. These chairs are not too long from the front to the back, and enough space is left for comfort in the popliteal area.

**Mechanism** multi/task control mechanism.

**Finish** flat black powder coating.

**Ergo arms** durable height adjustable polypropylene armrests with structural steel insert.

**Base & casters** 5-legged, reinforced molded fibreglass base with casters.

### Standard System Limited Warranty

We guarantee all non-moving metal components to be free of material defects and workmanship for a period of ten years from the original purchase date. We will replace any unaltered non-moving metal components which, based upon our examination, proves to be defective. For pneumatic cylinders, wooden and plastic components, casters and upholstery materials, the said warranty shall be for five years. Swivel/tilt mechanisms and bases shall also be for ten years.

This warranty does not cover labour or delivery charges and does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, flood or earthquake.
