The backrest may be ordered with height adjustable backrest and multi/task control mechanism that protects the fabric as well as other furniture with which the chair may come into contact.

**Pneumatic lifts** to meet every seat height requirement 80mm; 100mm; 120mm; 200mm; 280mm.

### Standard System Limited Warranty

We guarantee all non-moving metal components to be free of material defects and workmanship for a period of ten years from the original purchase date. We will replace any unaltered non-moving metal components which, based upon our examination, proves to be defective. For pneumatic cylinders, wooden and plastic components, casters and upholstery materials, the said warranty shall be for five years. Swivel/tilt mechanisms and bases shall also be for ten years.

This warranty does not cover labour or delivery charges and does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, flood or earthquake.
